These are exciting and challenging times in higher education and at USC, with much in transition. Provost Garrett and each Senior Vice President will present a short “State of the University” address about his or her areas of responsibility, after which attendees will have the opportunity to ask questions and engage in dialogue. In addition, many of our Honorary Members, who are Deans and Vice Presidents, will be in attendance. This special event is always dynamic and full of information vital to professionals, administrators and managers, and is not available in any other format. Don’t miss it!
